

Your Safety First

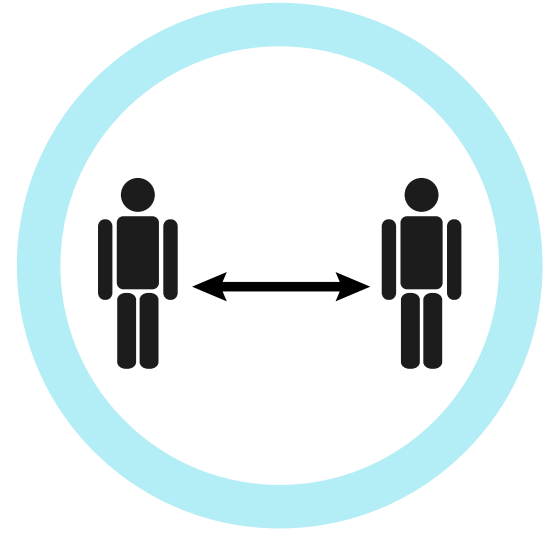

Please Observe These Best Practices

**Wash Hands
Thoroughly**

**Use Soap or
Hand Sanitizer**

**Keep Safe Distance
From Others**

Face coverings are encouraged, especially in areas where social distancing becomes difficult

Prioritizing Safety for Our Team & Guests

- Increased cleaning & sanitation measures have been implemented using high-grade disinfectants on common contact surfaces such as tables, chairs, menus, and restrooms
- Contactless digital menus are available on your personal mobile device with our easy to use QR code
 - Hand sanitizer stations are available at dining tables and throughout the restaurant
- All employees in contact with public are required to wear face coverings and are screened with temperature checks before any shift.
 - Screenings confirmed with green sticker •
